

**ENDORSEMENT TO THE INDIVIDUAL
PREMIER PLUS CONTRACTS**

**Issued by
ANTHEM BLUE CROSS LIFE AND HEALTH INSURANCE COMPANY**

Effective December 9, 2010, the following revisions have been made to your Individual Policy issued to you by Anthem Blue Cross Life and Health Insurance Company as follows:

The following provisions apply under the Policy and Certificate of Insurance for Premier Plus Contracts beginning on or after September 23, 2010, to ensure compliance with Federal health care reform known as the Patient Protection and Affordable Care Act, including any amendments, regulations, rules or other guidance issued with respect to the act ('Act'):

1. The contract code for the Policy is changed to 06BD.
2. This Policy contains no lifetime dollar limits or annual dollar limits on essential health benefits.
3. Coverage cannot be rescinded unless the individual (or person seeking coverage on behalf of the individual) performs an act, practice, or omission that constitutes fraud, or unless the individual makes an intentional misrepresentation of material fact. After 24 months following issuance, the policy may not be rescinded for any reason.

If coverage of an individual is rescinded, written notice will be sent explaining the basis for the decision and the individual's appeal rights.

4. Dependent child coverage will continue until the end of the month in which the Dependent child turns age 26 regardless of the marital status of such Dependent child and regardless of:
 - the child's financial dependency on the Policyholder or on any other person;
 - the child's residency with the Policyholder or with any other person;
 - the child's status as a student;
 - the child's employment; or
 - any combination of the above factors.

Coverage does not include the spouse or child of such Dependent child unless that child meets other coverage criteria established under state law.

5. No pre-existing condition waiting period, limitation or exclusion will be applied to any Insured under the age of 19.
6. Coverage for preventive benefits, as defined in the Act, does not require payment of any Deductible, Copayment, or Coinsurance if obtained from a Participating Provider. If obtained from a Non-Participating Provider, the member will pay 50% of the Negotiated Fee Rate, plus all charges in excess of the Negotiated Fee Rate. The following are covered preventive benefits:

(a) evidence-based items or services that have in effect a rating of "A" or "B" in the current recommendations of the United States Preventive Services Task Force;

(b) immunizations that have in effect a recommendation from the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention with respect to the individual involved;

(c) with respect to infants, children, and adolescents, evidence-informed preventive care and screenings provided for in the comprehensive guidelines supported by the Health Resources and Services Administration.

(d) with respect to women, such additional preventive care and screenings not described in paragraph (a) as provided for in comprehensive guidelines supported by the Health Resources and Services Administration.

(e) the current recommendations of the United States Preventive Service Task Force regarding breast cancer screening, mammography, and prevention shall be considered the most current other than those issued on or around November 2009.

7. Except where an Insured's life or health would be seriously jeopardized, you must first exhaust our internal grievance process before we will grant your request for an external review. In no event shall your rights to an external review be any more restrictive than that set forth in the Uniform External Review Model Act established by the National Association of Insurance Commissioners (NAIC), by the Secretary of Health and Human Services (HHS) or within your state external review act, as applicable under state and federal law. There is no fee for an external review. If you have a question about our internal grievance process, filing a grievance, or the external review process, please call customer service at 1-800-333-0912, or you may write to us. Please address your correspondence to Anthem Blue Cross Life and Health Insurance Company, P.O. Box 9051, Oxnard, CA 93031-9051, marked to the attention of the Customer Service Department.
8. Insureds covered under this Policy are not required to designate a primary care physician.
9. Emergency services from Non-Participating Providers will be covered at the same benefit and cost sharing level as services provided by Participating Providers. Prior authorization for emergency services is not required.
10. The following definitions have been added or changed:

Emergency medical condition means a medical condition manifesting itself by acute symptoms of sufficient severity (including severe pain) so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in one of the following conditions:

1. Placing the health of the individual (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
2. Serious impairment to bodily functions; or
3. Serious dysfunction of any bodily organ or part.

Emergency services means, with respect to an emergency medical condition:

1. A medical screening examination that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate such emergency medical condition, and
2. Within the capabilities of the staff and facilities available at the hospital, such further medical examination and treatment to stabilize the patient.

Stabilize means, with respect to an emergency medical condition:

To provide such medical treatment of the condition as may be necessary to assure, within reasonable medical probability that no material deterioration of the condition is likely to result from or occur during the transfer of the individual from a facility. With respect to a pregnant woman who is having contractions, the term “stabilize” also means to deliver (including the placenta), if there is inadequate time to affect a safe transfer to another hospital before delivery or transfer may pose a threat to the health or safety of the woman or the unborn child.

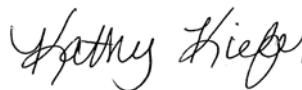

This Endorsement is part of your Anthem Blue Cross Life and Health Individual Policy. Please keep all of your documents together. This Endorsement terminates concurrently with the Policy to which it is attached.

This Endorsement is subject to all the definitions, limitations, exclusions and conditions of the Policy except as stated herein. This Endorsement applies notwithstanding any other provisions of the Policy or Certificate and to the extent there is a conflict between the Policy and this Endorsement, the terms of this Endorsement shall apply. Authorized officers of Anthem Blue Cross Life and Health Insurance Company have approved this endorsement as of the effective date.

Effective July 1, 2010, the following revisions have been made to your Individual Premier Policy issued to you by Anthem Blue Cross Life and Health Insurance Company.

Under the part entitled YOUR PRESCRIPTION DRUG BENEFITS, the language has changed to read as follows:

YOUR PRESCRIPTION DRUG BENEFITS

We will provide outpatient Prescription Drug benefits in accordance with this Part, subject to all other terms, conditions, limitations and exclusions of the Policy.

Anthem uses a preferred list of Drugs, sometimes called a Formulary, to help your doctor make prescribing decisions. This list of Drugs is updated quarterly by a committee consisting of doctors and pharmacists so that the list includes Drugs that are safe and effective in the treatment of disease. The presence of a drug on the plan's formulary does not guarantee that it will be prescribed. If you have a question regarding whether a Drug is on the Prescription Drug Formulary, please call toll free 1-800-700-2533.

Some medications may require Prior Authorization from Anthem. Please call toll free 1-800-700-2533 for a list of these Drugs.

For an explanation of your Prescription Drug coverage when you are enrolled in Medicare Part D, see the section entitled Non-Duplication of Medicare under the PART entitled EXCLUSIONS AND LIMITATIONS.

DEFINITIONS

~~Average Wholesale Price (AWP) is the average of the list prices that the manufacturers producing the Drug suggest that a wholesaler charge a Pharmacy for the Drug.~~

Compound Medication is a mixture of prescription drugs and other ingredients, of which at least one of the components is commercially available as a prescription product. Compound Medications do not include:

1. Duplicates of existing products and supplies that are mass-produced by a manufacturer for consumers; or
2. Products lacking an NDC number.

All claims for reimbursement for Compound Medications must be submitted electronically (by the pharmacy) and will be paid at the negotiated rate. Compound Medications may be limited to distribution at designated pharmacies.

Drugs mean Prescription Drugs approved by the state of California or the Food and Drug Administration (FDA) for general use by the public. For purposes of this benefit, Insulin will be deemed a Prescription Drug.

~~Drug Limited Fee Schedule is the maximum amount that we will consider for payment when your Prescription is filled at a Non-Participating Pharmacy and is the lesser of billed charges or the Average Wholesale Price.~~

Formulary is a list of Drugs which Anthem has determined to be safe and cost effective based on available medical literature.

Generic Prescription Drug (Generic) is a pharmaceutical equivalent of one or more Brand Name Drugs and must be approved by the Food and Drug Administration as meeting the same standards of safety, purity, strength and effectiveness as the Brand Name Drug.

Maintenance Prescription Drugs are Prescription Drugs that are taken for an extended period of time to treat a medical condition.

~~**Negotiated Fee** is the fee that has been negotiated with the Participating Pharmacy under a Participating Pharmacy agreement for covered Prescriptions. Participating Pharmacies have agreed to charge eligible Insureds no more than the Negotiated Fee for covered Prescriptions.~~

Non-Participating Pharmacy is a Pharmacy that does not have a Participating Pharmacy agreement in effect with or for the benefit of Anthem at the time services are rendered. In most instances, you will be responsible for a larger portion of your pharmaceutical bill when you go to a Non-Participating Pharmacy. Please see the section entitled THE RATE OF REIMBURSEMENT BY ANTHEM for information on the percentages payable at a Non-Participating Pharmacy.

Participating Pharmacy is a Pharmacy that has a Participating Pharmacy agreement in effect with or for the benefit of Anthem at the time services are rendered. Call your local Pharmacy or call the customer service at 1-800-700-2533. Some Participating Pharmacies display an Anthem "Rx" decal so that you can easily identify them.

Pharmacy means a licensed retail Pharmacy.

Prescription means a written order issued by a Physician.

Prescription Drug Maximum Allowed Amount is the maximum amount we allow for Prescription Drugs. The amount is determined by Anthem using cost information provided to Anthem by the Pharmacy Benefits Manager. The Prescription Drug Maximum Allowed Amount is subject to change. You may determine the Prescription Drug Maximum Allowed Amount of a particular Prescription Drug by calling 1-800-700-2533.

Self-Administered Injectable Drugs are injectable Drugs which are self-administered by the subcutaneous route (under the skin) by the patient or family member.

Specialty Drugs are defined as high-cost, injectable, infused, oral or inhaled drugs that generally require close supervision and monitoring of their effect on the patient's drug therapy by a medical professional. These drugs often require special handling, such as temperature controlled packaging and overnight delivery, and are often unavailable at retail pharmacies.

Tier-1 drugs - means a drug that has the lowest copayment and/or coinsurance. This Tier will contain low cost or preferred medications. This Tier may include generic drugs, single source brand drugs, or multi-source brand drugs.

Tier-2 drugs - means a drug that has a higher copayment and/or coinsurance than those in Tier 1. This Tier will contain preferred medications that generally are moderate in cost. This Tier may include generic, single source, and multi-source brand drugs.

Tier-3 drugs - means a drug that has a higher copayment and/or coinsurance than those on Tier 2. This Tier will contain non-preferred or high cost medications. This Tier may include generic, single source brand drugs, or multi-source brands drugs.

Note: The covered Prescription Drug list is subject to periodic review and amendment, which may cause a Drug to be moved off the covered Prescription Drug list or move from one Tier to another. If a Drug is removed from the covered Prescription Drug list or if it changes Tiers, your costs may change due to changes in your coinsurance and copayments. Inclusion of a Drug or related item on the covered Prescription Drug list is not a guarantee of coverage. If you have any questions about a particular Drug, you may call 1-800-700-2533.

DRUG UTILIZATION REVIEW

Your Prescription Drug benefits include utilization review of Prescription Drug usage for your health and safety. Certain Drugs may require prior authorization. Also, a Participating Pharmacist can help arrange prior authorization or dispense an emergency amount. If there are patterns of over utilization or misuse of Drugs, we will notify your personal Physician and your pharmacist. We reserve the right to limit benefits to prevent over utilization of Drugs.

PRIOR AUTHORIZATION

Certain Drugs require written prior authorization for you to obtain benefits even if the prescribing doctor writes “do not substitute” or “dispense as written” on the Prescription. Prior authorization criteria will be based on medical policy, clinical guidelines and established pharmacy and therapeutic guidelines. If you have any questions whether a Drug is on our preferred Drug list or require prior authorization, please call 1-800-700-2533.

You may need to try a Drug other than the one originally prescribed if we determine that it should be clinically effective for you. However, if we determine through the prior authorization process that the Drug originally prescribed is Medically Necessary, you will be provided the Drug originally requested at the applicable Copayment. If approved, Drugs requiring prior authorization will be provided to you after you make the required Copayment. (If, when you first become a Member, you are already being treated for a medical condition with a Drug that has been appropriately prescribed and is considered safe and effective for your medical condition and you underwent a prior authorization process under a prior plan which required you to take different Drugs, we will not require you to try a Drug other than the one you are currently taking.)

In order for you to obtain a Drug that requires prior authorization, your Physician must make a written request to us using a Drug Prior Authorization of Benefits form. The form can be faxed or mailed to us. If your Physician needs a copy of the form, he or she may call us at 1-888-831-2242 to request one. The form is also available online at www.anthem.com/ca.

If the request is for urgently needed Drugs, after we get the Drug Prior Authorization form:

- We will review it and decide if we will approve benefits within 72 hours. (Based on your medical condition, as Medically Necessary, we may take less than 72 hours to decide if we will approve benefits.) We will tell you and your Physician what we have decided in writing – by fax to your Physician and by mail to you.
- If more information is needed to make a decision, or we cannot make a decision for any reason, we will tell your Physician, within 24 hours after we get the form, what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your Physician what information is missing within 24 hours, we will tell your Physician that there is a problem as soon as we know that we cannot respond within 24 hours. In either event, we will tell your and your Physician, and in writing by mail to you.
- As soon as we can, based on your medical condition, as Medically Necessary, but not more than 48 hours after we have all the information we need to decide if we will approve benefits, we will tell you and your Physician what we have decided in writing – by fax to the Physician and by mail to you.

If the request is not for urgently needed Drugs, after we get the Drug Prior Authorization form:

- Based on your medical condition, as Medically Necessary, we will review it and decide if we will approve benefits within five (5) business days. We will tell you and your Physician what we have decided in writing – by fax to your doctor and by mail to you.
- If more information is needed to make a decision, we will tell your Physician in writing within five (5) business days after we get the request what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your Physician what information is missing within five (5) business days, we will tell your Physician that there is a problem as soon as we know that we cannot respond within five (5) business days. In any event, we will tell you and your Physician that there is a problem in writing by fax, and when appropriate, by telephone to your Physician, and in writing to you by mail.
- Based on your medical condition, as Medically Necessary, within five (5) business days after we have all the information we need to decide if we will approve benefits, we will tell you and your Physician what we have decided in writing – by fax to your Physician and by mail to you.

While we are reviewing the Drug Prior Authorization form, a 72-hour emergency supply of medication or the smallest packaged quantity, whichever is greater, may be dispensed to you if your Physician or pharmacist determines that it is appropriate and Medically Necessary. You may have to pay the applicable Copayment or coinsurance shown in this part for the 72-hour supply of your Drug. If we approved the request for the Drug after you have received a 72-hour supply, you will receive the remainder of the 30-day supply of the Drug. If you have paid the applicable Copayment for the 72-hour supply, you will have no additional Copayment. If not, you will be responsible to pay the applicable Copayment for the remainder of the 30-day supply.

If you have any questions whether a Drug is on our preferred Drug list or require prior authorization, please call 1-800-700-2533.

If prior authorization of a Drug is not approved, you or your prescribing Physician may appeal our decision by calling us at 1-800-700-2533. If you are not satisfied with the resolution based on your inquiry, you may file a grievance with us by following the procedures described in the part entitled GRIEVANCE PROCEDURES.

Revoking or modifying a prior authorization

A prior authorization of benefits for prescription drugs may be revoked or modified prior to your receiving the drugs for reasons including but not limited to the following:

- Your coverage under this policy ends;
- You reach a benefit maximum that applies to prescription drugs, if the plan includes such a maximum;
- Your prescription drug benefits under the policy change so that prescription drugs are no longer covered or are covered in a different way.

A revocation or modification of a prior authorization of benefits for prescription drugs applies only to unfilled portions or remaining refills of the prescription, if any, and not to drugs you have already received.

TIER 2, TIER 3 AND SPECIALTY PRESCRIPTION DRUG DEDUCTIBLE

Each Insured must meet a Tier 2, Tier 3 and Specialty Prescription Drug Deductible amount of \$500 each Year. This Deductible is separate from the annual Deductibles for medical benefits and does not accumulate towards satisfying the medical Participating or Non Participating Provider Deductibles. This Tier 2, Tier 3 and Specialty Prescription Drug Deductible apply to Tier 2, Tier 3 and Specialty Prescription Drugs purchased through Participating Pharmacies, the Mail Order Prescription Drug Program or through Specialty Preferred Provider. However, any Copayment made for a Tier 2 or Tier 3 Drug that has been specified by your Physician to “dispense as written” or “do not substitute” when a Tier 1 Drug equivalent exists, the ~~Anthem Negotiated Fee~~ [Prescription Drug Maximum Allowed Amount](#) (Participating Pharmacies) for that Tier 2 or Tier 3 Drug **will not** be applied towards the Tier 2, Tier 3 and Specialty Prescription Drug Deductible.

SPECIALTY PRESCRIPTION DRUG COINSURANCE MAXIMUM

There is a \$2,500 Specialty Prescription Drug Coinsurance Maximum for Specialty Prescription Drugs per Insured per Year purchased from Participating Pharmacies or through our Specialty Preferred Provider. The first month supply of a Specialty Drug is available through a Participating Pharmacy. Once the \$2,500 Specialty Prescription Drug Coinsurance Maximum is met, no further Specialty Prescription Drug Coinsurance will be required for Specialty Prescription Drugs purchased through Participating Pharmacies or through our Specialty Preferred Provider for the remainder of that Year. Copayments for Tier 1, Tier 2 and Tier 3 Drugs and the Tier 2, Tier 3 and Specialty Drug Deductible **will not** accumulate towards the Specialty Prescription Drug Coinsurance Maximum and will continue to be required even after the Specialty Prescription Drug Coinsurance Maximum has been reached.

However, any Copayment made for a Tier 2 or Tier 3 Drug that has been specified by your Physician to “dispense as written” or “do not substitute” when a Tier 1 Drug equivalent exists, the **Anthem Negotiated-Fee Prescription Drug Maximum Allowed Amount** (Participating Pharmacies) for that Tier 2 or Tier 3 Drug will **not** be applied towards the Tier 2, Tier 3 and Specialty Prescription Drug Deductible.

Non-duplication of benefits applies to Specialty Drugs under this plan. This means when benefits are provided for Specialty Drugs under the plan's Specialty Pharmacy Program benefits, they will not be provided under the part entitled WHAT IS COVERED. Conversely, if benefits are provided for Specialty Drugs under WHAT IS COVERED, they will not be provided under the plan's Specialty Pharmacy Program benefits.

Certain Specialty Drugs require written prior authorization. (Please see the Prior Authorization section in this part for more information).

Unless you qualify for an exception, if Specialty Drugs are not obtained through the Specialty Pharmacy Program, you will not receive any benefits for them under this plan. You will have to pay the full cost of any specialty drugs you get from a retail pharmacy that you should have obtained from the Specialty Preferred Provider. Please note that Specialty Drugs are not covered though the mail service drug program; however, if you do order a Specialty Drug through the mail service prescription drug program, the order will be forwarded to the Specialty Preferred Provider for processing and will be processed according to Specialty Pharmacy Program rules.

EXCEPTIONS TO THE SPECIALTY PHARMACY PROGRAM

This requirement does not apply to:

The first one month supply of a Specialty Drug which is available through a Participating Pharmacy; Drugs, which due to medical necessity, are needed urgently and must be administered to the Insured immediately.

HOW TO OBTAIN AN EXCEPTION TO THE SPECIALTY PHARMACY PROGRAM

If you believe that you should not be required to get your specialty drug through the Specialty Pharmacy Program, for any of the reasons listed above or others, you or your Physician must complete an Exception to the Specialty Pharmacy Program form to request an exception and send it to us. The form can be mailed or faxed to us. If you need a copy of the form, you may call us at 1-800-700-2533 to request one. You can also get the form online at www.anthem.com/ca. If we have given you an exception, it will be in writing for the approved amount of time as medically appropriate, not to exceed six (6) months. If you believe that you still should not be required to get your medication through the Specialty Pharmacy Program, when your prior exception approval expires, you must again request an exception. If we deny your request for an exception, it will be in writing and will tell you why we did not approve the exception.

Urgent or emergency need of a specialty drug subject to the Specialty Pharmacy Program

If you are out of a specialty drug which must be obtained through the Specialty Pharmacy Program, we will authorize an override of the Specialty Pharmacy Program requirement for 72-hours, or until the next business day following a holiday or weekend to allow you to get a 72-hour emergency supply of medication, or the smallest packaged quantity, whichever is greater, if your doctor decides that it is

appropriate and medically necessary. You may have to pay the applicable Copayment/coinsurance, if any.

If you order your specialty drug through the Specialty Preferred Provider and it does not arrive, if your physician decides that it is medically necessary for you to have the drug immediately, we will authorize an override of the Specialty Pharmacy Program requirement for a 30-day supply or less to allow you to get an emergency supply of medication from a participating pharmacy near you. A customer service representative from the Specialty Preferred Provider will coordinate the exception and you will not be required to pay additional coinsurance.

SPECIAL PROGRAMS

Special Programs

From time to time, we may initiate various programs to encourage you to utilize more cost-effective or clinically-effective Drugs including, but, not limited to, Tier 1 Drugs, mail service Drugs, over-the counter drugs, or preferred Drug products. Such programs may involve reducing or waiving Copayments for those Tier 1 Drugs, over-the-counter drugs, or the preferred Drug products for a limited period of time. If we initiate such a program, and we determine that you are taking a Drug for a medical condition affected by the program, you will be notified in writing of the program and how to participate in it.

Half-Tablet Program

The Half-Tablet Program allows you to pay a reduced Copayment on selected “once daily dosage” medications. The Half-Tablet Program allows you to obtain a 30-day supply (15 tablets) of a higher strength version of your medication when the Prescription is written by the Physician to take “1/2 tablet daily” of those medications on a list approved by us. ~~The WellPoint National Pharmacy and Therapeutics Committee will determine additions and deletions to the approved list.~~ The Half-Tablet Program is strictly voluntary and your decision to participate should follow consultation with and the concurrence of your Physician. This program is only available through a retail pharmacy or mail services pharmacy. To obtain a list of the products available on this program call 1-866-614-0147 or visit our internet website at www.anthem.com/ca.

The member may need to file their own claim if they need to have a prescription filled before they receive their health benefit ID card. The pharmacy may not submit the claim on the member’s behalf. Information on filing a prescription claim may be obtained by calling Customer Service at the number listed on the member ID card.

Anthem receives financial credits or rebates from drug manufacturers based on the total volume of claims processed for their products utilized by Anthem members. These credits are used to help stabilize rates. Reimbursements to pharmacies are not affected by these credits.

Prescription drugs will always be dispensed as ordered by the member’s provider and by applicable State Pharmacy Regulations, however the member may have higher out-of-pocket expenses. The member may request, or the member’s provider may order, a brand-name drug. However, if a Tier 1 drug is available, the member will be responsible for the cost difference between the Tier 1 and the Tier 2 or Tier 3 Drug, in addition to the member’s applicable Tier copayment and/or coinsurance. By law, Tier 1, Tier 2 and Tier 3 Drugs must meet the same standards for safety, strength, and effectiveness. Anthem reserves the right, at its discretion, to remove certain higher cost generic drugs for this policy.

INTRODUCTION

SERVICES MUST BE PERFORMED OR SUPPLIES FURNISHED BY A PARTICIPATING PROVIDER IN ORDER FOR YOU TO UTILIZE THE MAXIMUM BENEFITS AVAILABLE TO YOU WHILE COVERED UNDER THIS PLAN. THE ONLY EXCEPTIONS ARE SERVICES RECEIVED BY A NON-PARTICIPATING PROVIDER AS A RESULT OF A MEDICAL EMERGENCY OR AN AUTHORIZED REFERRAL AS DEFINED IN THE DEFINITIONS SECTION, OR SERVICES FROM OTHER ELIGIBLE PROVIDERS AS INDICATED BELOW. A DIRECTORY OF PARTICIPATING PROVIDERS IS AVAILABLE UPON REQUEST THROUGH OUR CUSTOMER SERVICE REPRESENTATIVES.

The Policy contains the exact terms and conditions of coverage. Please read the Policy completely and carefully. Individuals with special health care needs should carefully read those sections that apply to them.

YOU HAVE THE RIGHT TO VIEW THE POLICY PRIOR TO ENROLLMENT.

You also have the right to receive a copy of the Notice of Privacy Practices. You may obtain a copy by calling our customer service department at 1-800-333-0912 or by accessing our web site at www.anthem.com/ca.

This is a Preferred Provider Organization (PPO) Plan. We provide access to a network of Hospitals and Physicians who contract with Anthem Blue Cross Life and Health Insurance Company (Anthem) to facilitate services to our Insureds and who provide services at pre-negotiated discounted fees. Covered Expenses for Participating Providers are based on the Negotiated Fee Rate. Participating Providers have a Prudent Buyer Participating Provider Agreement in effect with us and have agreed to accept the Negotiated Fee Rate as payment in full. Non-Participating Providers do not have a Prudent Buyer Participating Provider Agreement with Anthem. Your personal financial costs when using Non-Participating Providers may be considerably higher than when you use Participating Providers. You will be responsible for any balance of a provider's bill which is above the allowed amount payable under this Policy for Non-Participating Providers. Please read the benefit sections carefully to determine those differences. For a directory of Participating Providers or additional information, you may contact our customer service department at 1-800-333-0912.

Some Hospitals and other providers do not provide one or more of the following services that may be covered under your Policy and that you or your Dependents might need.

- Family planning
- Contraceptive services, including emergency contraception
- Sterilization, including tubal ligation at the time of labor and delivery
- Infertility treatments
- Abortion

You should obtain more information before you schedule an appointment. Call your prospective doctor, medical group or clinic or call customer service toll free at 1-800-333-0912 to ensure that you can obtain the health care services that you need.

If your provider has been terminated and you feel you qualify for continuation of services, you must request that services be continued. This can be done by calling 1-800-333-0912.

In this Policy, "we," "us" and "our" mean Anthem Blue Cross Life and Health Insurance Company (Anthem). You are the eligible Policyholder whose individual enrollment application has been accepted by us. "You" and "your" also mean any eligible Dependents who were listed on your individual enrollment application and accepted by us for coverage under this Policy. When we use the word "Insured" in this Policy, we mean you and any eligible Dependents who are covered under this Policy.

THE BENEFITS OF THIS POLICY ARE PROVIDED ONLY FOR SERVICES THAT ARE CONSIDERED MEDICALLY NECESSARY. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS THE SERVICE DOES NOT, IN ITSELF, MAKE IT MEDICALLY NECESSARY OR A COVERED SERVICE.

The benefits of this Policy are intended for use in the state of California. Any benefits received for services performed outside of the state of California may be significantly lower and result in a greater out-of-pocket expense for the Insured.

Anthem Blue Cross Life and Health Insurance Company enters into this Policy with you based upon the answers submitted by you and your Dependents on the signed individual enrollment application. In consideration for the payment of the premiums stated in this Policy, we will provide the services and benefits listed in this Policy to you and your eligible Dependents.

IF, WITHIN TWO (2) YEARS AFTER THE EFFECTIVE DATE OF THIS POLICY, WE DISCOVER ANY MATERIAL FACTS THAT WERE OMITTED OR THAT YOU OR YOUR INSURED FAMILY MEMBERS KNEW, BUT DID NOT DISCLOSE ON YOUR APPLICATION, WE MAY RESCIND THIS POLICY AS OF THE ORIGINAL EFFECTIVE DATE. ADDITIONALLY, IF WITHIN TWO (2) YEARS AFTER ADDING ADDITIONAL FAMILY MEMBERS (EXCLUDING NEWBORN CHILDREN OF THE INSURED ADDED WITHIN 31 DAYS AFTER BIRTH), WE DISCOVER ANY MATERIAL FACTS THAT WERE OMITTED OR THAT YOU OR YOUR INSURED FAMILY MEMBERS KNEW, BUT DID NOT DISCLOSE IN YOUR APPLICATION, WE MAY RESCIND COVERAGE FOR THE ADDITIONAL FAMILY MEMBER AS OF THE DATE HE OR SHE ORIGINALLY BECAME EFFECTIVE.

YOU HAVE TEN (10) DAYS FROM THE DATE OF DELIVERY TO EXAMINE THIS POLICY. IF YOU ARE NOT SATISFIED, FOR ANY REASON WITH THE TERMS OF THIS POLICY, YOU MAY RETURN THE POLICY TO US WITHIN THOSE TEN (10) DAYS. YOU WILL THEN BE ENTITLED TO RECEIVE A FULL REFUND OF ANY PREMIUMS PAID. THIS POLICY WILL THEN BE NULL AND VOID.

CHOICE OF CONTRACTING HOSPITAL, SKILLED NURSING FACILITY AND ATTENDING PHYSICIAN

Nothing contained in this Policy restricts or interferes with your right to select the Contracting Hospital, Skilled Nursing Facility or attending Physician of your choice.

Payments of benefits under this Policy do not regulate the amounts charged by providers of medical care or attempt to evaluate those services.

BECAUSE WE CARE ABOUT THE QUALITY OF THE SERVICE PROVIDED TO OUR CUSTOMERS, YOUR TELEPHONE CALL TO US MAY BE RANDOMLY OBSERVED OR RECORDED TO ENSURE THAT WE ARE ACHIEVING THAT GOAL.

THE ENTIRE POLICY SETS FORTH, IN DETAIL, THE RIGHTS AND OBLIGATIONS OF BOTH YOU AND ANTHEM. IT IS, THEREFORE, IMPORTANT THAT YOU READ YOUR ENTIRE POLICY CAREFULLY. PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

IMPORTANT!

This is not an annual Policy. The duration of your coverage depends on the method of payment you chose under Paragraph B. under the Part entitled **DURATION AND TERMINATION OF YOUR POLICY AND OUR RIGHT TO MODIFY YOUR POLICY**, and is not affected by any provisions defining your Deductible or other cost sharing obligations. Your Policy expires at the end of each billing cycle but will automatically renew upon timely payment of your next premium charge, subject to our right to terminate, cancel or non-renew as described in the Part entitled **DURATION AND TERMINATION OF YOUR POLICY AND OUR RIGHT TO MODIFY YOUR POLICY**, Paragraph D. Also, premiums, benefits, terms and conditions may be modified at any time during the Year following thirty (30) days written notice pursuant to the Part entitled **DURATION AND TERMINATION OF YOUR POLICY AND OUR RIGHT TO MODIFY YOUR POLICY**, Paragraph E. You hereby expressly acknowledge that you understand this policy constitutes a contract solely between You and Anthem, which is an independent corporation operating under a license from the Blue Cross and

Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans, permitting Anthem to use the Blue Cross Service Mark in the State of California, and that Anthem is not contracting as the agent of the Association. You further acknowledge and agree that You have not entered into this policy based upon representations by any person other than Anthem and that no person, entity, or organization other than Anthem shall be held accountable or liable You for any of Anthem's obligations to You created under this policy. This paragraph shall not create any additional obligations whatsoever on the part of Anthem other than those obligations created under other provisions of this agreement.

Transferring to Another Individual Plan

If you and your dependents have been covered under this individual plan for at least 18 months, you and any applicable dependents, have the right to transfer at least once each year without medical underwriting, to any other individual plan that we offer that provides equal or lesser benefits, as determined by us. "Without medical underwriting," means that we will not deny you coverage or impose any pre-existing condition period on you or any applicable dependents when you transfer to another individual plan with equal or lesser benefits. We will notify you in writing of your right to transfer, whenever your premium rates for your present plan coverage are changed. The notice will provide information on other individual contracts available to you and how to apply for a transfer. You may also contact the Plan at anytime for further information as to how to transfer to another individual plan after you have been enrolled in the plan for at least 18 months.

At any time after you are enrolled in this individual plan, you may also apply to transfer to another individual plan with greater benefits. However, you and your dependents may need to pass medical underwriting requirements.

For further information, please contact customer service toll free at 1-800-333-0912.

Eligibility following Rescission

For individual Policies that have been rescinded, eligible Insureds on such Policies may continue coverage, without medical underwriting, in one of the following ways:

- enroll in a new individual Policy that provides equal benefits, or
- remain covered under the individual Policy that was rescinded.

In either instance, premium rates may be revised to reflect the number of persons on the Policy.

We will notify in writing all Insureds of the right to coverage under an individual Policy, at a minimum, when we rescind the individual Policy.

Eligible Insureds who continue coverage as a result of a rescinded Policy may be subject to completing the pre-existing condition exclusion period that was not fulfilled on the rescinded Policy. This means that we will credit any time that the eligible Insured was covered under the rescinded Policy. The time period in the new Policy for the pre-existing condition exclusion period will not be longer than the one in the Policy that was rescinded.

We will provide 60 days for enrollees to accept the offered new individual Policy and this contract shall be effective as of the effective date of the original Policy and there shall be no lapse in coverage.

SERVICES, BENEFITS AND PREMIUMS UNDER A MEDICARE SUPPLEMENT WILL NOT BE THE SAME AS THOSE PROVIDED UNDER THIS POLICY.

MAXIMUM COMPREHENSIVE BENEFITS

LIFETIME MAXIMUM

The combined total for all medical and Prescription Drug benefits is limited to a maximum Anthem payment amount of \$7,000,000 per Insured during the Insured's lifetime, so long as this Policy remains in effect.

If an Insured replaces any Anthem individual medical Policy with another Anthem individual medical Policy, any benefits applied toward the Insured's lifetime maximum benefit of the prior policy will be applied toward the Insured's lifetime maximum benefit of the new Policy.

If within the same calendar Year, an Insured replaces any Anthem individual medical Policy with another Anthem individual medical Policy, any benefits applied toward the Participating Provider or Non-Participating Provider Deductibles, Participating Provider or Non-Participating Provider Yearly Copayment/Coinsurance Maximums or any benefit maximums of that prior Policy, will be applied toward the Participating Provider or Non-Participating Provider Deductibles, Participating Provider or Non-Participating Provider Yearly Copayment/Coinsurance Maximums or any benefit maximums of this Policy.

DEDUCTIBLE

Deductible is the amount of charges you must pay for any Covered Services before any benefits are available to you under this Policy. Amounts for Participating Providers and Non-Participating Providers are applied separately each Year as indicated below.

Participating Provider Deductible

Each Year, You must satisfy your Participating Provider Deductible before we will pay for medical benefits from Participating providers. Your Participating Provider Deductible amount is determined by the number of Insureds enrolled in this Policy, as follows:

- **Individual Deductible: \$1,000** per Year for each Insured. Once you have satisfied your Participating Provider Deductible, no further Participating Provider Deductible will be required for the remainder of that Year.
- **Family Deductible Maximum: \$2,000** per Year for a Family Contract. Once the total of allowable charges applying to the individual Participating Provider Deductible for two (2) or more Insureds equal the Participating Provider Family Deductible Maximum no further Participating Provider Deductible will be required for all enrolled Insureds for the remainder of that Year. No one Insured can contribute more than the individual deductible amount to the family amount.

The automatic enrollment of a Newborn or Adopted Children under the Eligibility section may cause the applicable deductible to automatically change from the Individual Deductible to a Family Deductible.

Once the Participating Provider Deductible is met, charges for Covered Services from a Participating Provider apply only to the Participating Provider Yearly Copayment/Coinsurance Maximum.

Non-Participating Provider Deductible

Each Year, You must satisfy your Non-Participating Participating Provider Deductible before we will pay for medical benefits from Non-Participating Participating providers. Your Non-Participating Provider Deductible amount is determined by the number of Insureds enrolled in this Policy, as follows:

- **Individual Deductible: \$1,000** per Year for each Insured. Once you have satisfied your Non-Participating Provider Deductible, no further Non-Participating Provider Deductible will be required for the remainder of that Year.
- **Family Deductible Maximum: \$2,000** per Year for a Family Contract. Once the total of the allowable charges applying to the individual Non-Participating Provider Deductibles for two (2) or more Insureds equal the Non-Participating Provider Family Deductible Maximum no further Non-Participating Provider Deductible will be required for all enrolled Insureds for the remainder of that Year. No one Insured can contribute more than the individual deductible amount to the family amount.

The automatic enrollment of a Newborn or Adopted Children under the Eligibility section may cause the applicable deductible to automatically change from the Individual Deductible to a Family Deductible.

During each Year, each Insured is responsible for all expenses incurred up to the Deductible amounts. These Deductibles are not prorated for a partial Year. Only Covered Expense will apply toward the Deductibles. A claim must be submitted in order for us to record your eligible covered Deductible expense. We will record your Deductibles in our files in the order in which your claims are processed, not necessarily in the order in which you receive the service or supply.

The automatic enrollment of a Newborn or Adopted Children under the Eligibility section may cause the applicable deductible to automatically change from the Individual Deductible to a Family Deductible.

If you submit a claim for services which have a maximum payment limit and neither of your Deductibles are satisfied, we will apply only the allowed per visit or per day amount, whichever applies, toward your Participating Provider or Non-Participating Provider Deductible, whichever applies.

Once the Non-Participating Provider Deductible is met, charges for Covered Services from a Non-Participating Provider apply only to the Non-Participating Provider Yearly Copayment/Coinsurance Maximum.

COINSURANCE

After your Participating Provider Deductible or your Non-Participating Provider Deductible have been satisfied, you will be required to pay Coinsurance for services received while you are covered under this Certificate. Coinsurance is the percentage amount you are responsible for as stated in the Coinsurance list.

YEARLY COPAYMENT/COINSURANCE MAXIMUMS

Yearly Copayment/Coinsurance Maximum amounts for Participating Providers and Non-Participating Providers are applied separately each Year, as follows:

Participating Provider Yearly Copayment/Coinsurance Maximum

- **Individual Yearly Copayment/Coinsurance Maximum: \$4,500** per Year for each Insured. Once you have satisfied your Participating Provider Yearly Copayment/Coinsurance Maximum, no further Coinsurance will be required for Participating Providers for the remainder of that Year.
- **Family Yearly Copayment/Coinsurance Maximum: \$9,000** per Year for a Family Contract. Once the total of allowable charges applying to the Individual Yearly Copayment/Coinsurance Maximum for two (2) or more Insureds in a Family Contract equal the Family Yearly Copayment/Coinsurance Maximum no further Coinsurance will be required by any family member for Participating Providers for the remainder of that Year. However, no one person can contribute more than their individual Yearly Copayment/Coinsurance Maximum amount to the Family Yearly Copayment/Coinsurance Maximum.

The automatic enrollment of a Newborn or Adopted Children under the Eligibility section may cause the applicable deductible to automatically change from the Individual Yearly Copayment/Coinsurance Maximum to a Family Yearly Copayment/Coinsurance Maximum.

Non-Participating Provider Yearly Copayment/Coinsurance Maximum

- **Individual Yearly Copayment/Coinsurance Maximum: \$7,500** per Year for each Insured in a Policyholder only contract: Once you have satisfied your Non- Participating Provider Copayment/Coinsurance Maximum, no further Coinsurance, except as specified in the "Exception" paragraph below, will be required for the remainder of that Year.
- **Family Yearly Copayment/Coinsurance Maximum: \$15,000** per Year for a Family Contract. Once the total of allowable charges applying to the Family Yearly Copayment/Coinsurance Maximum for two (2) or more Insureds in a Family Contract equal the Family Yearly Copayment/Coinsurance Maximum no further Coinsurance, except as specified in the "Exception" paragraph below, will be required by any family member for Non-Participating Providers for the remainder of that Year. However, no one person can contribute more than their individual Yearly Copayment/Coinsurance Maximum amount to the Family Yearly Copayment/Coinsurance Maximum.

The automatic enrollment of a Newborn or Adopted Children under the Eligibility section may cause the applicable deductible to automatically change from the Individual Yearly Copayment/Coinsurance Maximum to a Family Yearly Copayment/Coinsurance Maximum.

EXCEPTION: AMOUNTS YOU PAY FOR CERTAIN COVERED SERVICES RENDERED BY NON-PARTICIPATING PROVIDERS WILL **NOT** ACCUMULATE TOWARD SATISFYING YOUR NON-PARTICIPATING PROVIDER YEARLY COPAYMENT/COINSURANCE MAXIMUM. IN ADDITION, FOR

THESE CERTAIN COVERED SERVICES, WHICH ARE DESCRIBED BELOW, YOU WILL CONTINUE TO BE REQUIRED TO PAY COINSURANCE AND ANY APPLICABLE CHARGES (E.G. CHARGES IN EXCESS OF WHAT WE ALLOW) EVEN AFTER YOUR NON-PARTICIPATING PROVIDER YEARLY COPAYMENT/COINSURANCE MAXIMUM AND DEDUCTIBLE HAVE BEEN SATISFIED.

- **For Non-Participating Providers and/or Non-Contracting Providers:**
 - Services listed under the benefit entitled Mental or Nervous Disorders and Substance Abuse (other than Severe Mental Illnesses and Serious Emotional Disturbances of a Child).
 - Charges over what Anthem allows as Covered Expense.
- **For Non-Contracting Hospitals:**
 - Charges over what Anthem allows as Covered Expense for Medical Emergencies within California.

You will always have to continue to pay any charges over what we allow as Covered Expense for all services rendered by Non-Participating Providers, even after your Non-Participating Provider Yearly Copayment/Coinsurance Maximum and Deductible have been reached.

For additional details, please refer to the specific benefit in the PART entitled BENEFIT COINSURANCE LIST.

YEARLY OUT OF POCKET MAXIMUM FOR COVERED SERVICES AND COVERED CHARGES

PARTICIPATING PROVIDER YEARLY OUT OF POCKET MAXIMUM FOR COVERED SERVICES AND COVERED CHARGES

The Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges is the sum of the Participating Provider Deductible and Participating Provider Yearly Copayment/Coinsurance Maximum. Since your policy has a Participating Provider Deductible of **\$1,000** and a Participating Provider Yearly Copayment/Coinsurance Maximum of **\$4,500**, then the Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges is **\$5,500**. After you have satisfied the Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges, Anthem will provide benefits at 100% of the Negotiated Fee Rate for Participating Providers.

NON-PARTICIPATING PROVIDER YEARLY OUT OF POCKET MAXIMUM FOR COVERED SERVICES AND COVERED CHARGES

The Non-Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges is the sum of the Non-Participating Provider Deductible and Non-Participating Provider Yearly Copayment/Coinsurance Maximum. Since your policy has a Non-Participating Provider Deductible of **\$1,000** and a Non-Participating Provider Yearly Copayment/Coinsurance Maximum of **\$7,500**, then the Non-Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges is **\$8,500**. After you have satisfied the Non-Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges, Anthem will provide benefits at 100% of the Covered Expense for Non-Participating Providers. You will always have to continue to pay any charges over what we allow as Covered Expense for all services rendered by Non-Participating Providers, even after your Non-Participating Provider Yearly Out of Pocket Maximum for Covered Services and Covered Charges has been reached.

BENEFIT COPAYMENT/COINSURANCE LIST

The benefits described below are provided for Covered Services incurred for treatment of a covered illness, injury or condition. These benefits are subject to all provisions of this Policy, which may limit benefits or result in benefits not being payable. Any limits on the number of visits or days covered are stated under the specific benefit.

SERVICES MUST BE PERFORMED OR SUPPLIES FURNISHED BY A PARTICIPATING PROVIDER IN ORDER FOR YOU TO UTILIZE THE MAXIMUM BENEFITS AVAILABLE TO YOU WHILE COVERED UNDER THIS PLAN. THE ONLY EXCEPTIONS ARE SERVICES RECEIVED BY A NON-PARTICIPATING PROVIDER AS A RESULT OF A MEDICAL EMERGENCY OR AN AUTHORIZED REFERRAL AS DEFINED IN THE DEFINITIONS SECTION, OR SERVICES FROM OTHER ELIGIBLE PROVIDERS AS INDICATED BELOW. A DIRECTORY OF PARTICIPATING PROVIDERS IS AVAILABLE UPON REQUEST THROUGH OUR CUSTOMER SERVICE REPRESENTATIVES.

DETERMINATION OF COVERED EXPENSE

- Covered Expense is the expense you incur for Covered Services up to the maximum amount Anthem will allow for a Covered Service or supply. Covered Expense is not necessarily the amount a provider ordinarily bills for a service or supply. When you obtain a Covered Service or supply, Covered Expense is the amount that is used to determine how much Anthem will allow in a claim. It is also used to determine the amount that is applied to your Participating Provider or Non-Participating Provider Deductibles, Participating Provider or Non-Participating Provider Out of Pocket amounts and Lifetime Maximum. Covered Expense is incurred on the date you receive the service or supply for which the charge is made. **Please review this PART entitled Benefit Copayment/Coinsurance List for any per day, Year or visit limits and the PART entitled Maximum Comprehensive Benefits for your lifetime maximum, which may be applied to a particular benefit.**
- In no event will Covered Expenses exceed:
 - Any charge for services of a Participating Hospital, Participating Physician, Participating Skilled Nursing Facility, Participating Hospice, Participating Ambulatory Surgical Center, Participating Home Health Care Provider or Participating Infusion Therapy Provider in excess of the Negotiated Fee Rate.
 - Any charge for services of a Non-Participating Physician in excess of the Negotiated Fee Rate except if Special Circumstances apply in which case Covered Expense will not exceed Customary and Reasonable Charge.*
 - Any charge for services of a Non-Participating Hospital in excess of a Reasonable Charge.*
 - Any charge for services of a Non-Participating Ambulatory Surgical Center, Hospice, Skilled Nursing Facility or Home Health Care Provider in excess of a Customary and Reasonable Charge.*
 - Any charge in excess of a Reasonable Charge for all other covered providers, services and supplies for which Anthem does not enter into Prudent Buyer Participating Agreements.

Your personal financial costs when using Non-Participating Providers will be considerably higher than when you use Participating Providers. You will be responsible for any balance of a provider's bill which is above the allowed amount payable under this Policy for Non-Participating Providers. See the **Special Circumstances** section of this provider Copayment/Coinsurance List for situations that may reduce your payment responsibility when utilizing a Non-Participating Provider.

No benefits are provided for the few Non-Contracting Hospitals within California for inpatient Hospital services or outpatient surgical procedures except as specifically stated in the section entitled, **Special Circumstances**.

- * **See the Special Circumstances section under this PART for situations that reduce your payment responsibility when utilizing Non-Participating Providers.**

SECOND OPINIONS

If you have a question about your condition or about a plan of treatment, which your Physician has recommended, you may receive a second medical opinion from another Physician. This second opinion visit would be provided according to the benefits, limitations and exclusions of this Policy. If you wish to receive a second medical opinion remember that greater benefits are provided when you choose a Participating Provider. You may also ask your Physician to refer you to a Participating Provider to receive a second opinion.

BLUECARD PROGRAM

For Medical Services Outside California

The Blue Cross and Blue Shield Association, of which we are a member/Independent Licensee, administers a program called **BlueCard Program**, in which we participate, which allows our Insureds to have the reciprocal use of Participating Providers that contract with other Blue Cross and/or Blue Shield Plans. Providers available to you through the BlueCard Program have not entered into contracts with Anthem Blue Cross Life and Health Insurance Company. If you have any questions or complaints about the BlueCard Program, please call us at 1-800-333-0912.

If you are traveling outside of California and require medical care or treatment, you may use a local Blue Cross and/or Blue Shield Participating Provider. If you use one of these providers, your out-of-pocket expenses may be lower than those incurred when using a provider that does not participate with a local Blue Cross and/or Blue Shield Plan.

In order for you to receive access to whatever reductions in out-of-pocket expenses may be available, we must abide by the BlueCard Program rules, as set by the Blue Cross and Blue Shield Association.

When you obtain health care services through the BlueCard Program outside of California, the amount you pay for Covered Services is calculated on the lower of:

- The billed charges for your Covered Services or
- The Negotiated Price that the on-site Blue Cross and/or Blue Shield (“Host Blue”) passes on to us.

Often, this “Negotiated Price” will consist of a simple discount which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors into the actual price expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The Negotiated Price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The Negotiated Price will also be adjusted in the future to correct for over or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating Policyholder liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state mandate Policyholder liability calculation methods that differ from the usual BlueCard method noted above in the preceding paragraph of this item or require a surcharge, we would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

BlueCard Provider Types

PPO Providers

These are primarily Hospitals and Physicians who participate in a BlueCard PPO network and have agreed to provide PPO Insureds with health care services at a discounted rate that is generally lower than the rate charged by Traditional Providers.

Traditional Providers

These are providers who might not participate in a BlueCard PPO network but have agreed to provide PPO Insureds with health care services at a discounted rate.

Non-Participating Providers

These are providers that do not have a contract with their local Blue Cross and/or Blue Shield plan and have not accepted the BlueCard or Traditional provider negotiated rates.

To locate a BlueCard PPO or Traditional provider when outside of California call 1-800-810-BLUE (2583) or visit the BlueCard web site address: www.bcbs.com. When traveling outside the United States, in cases of emergencies only, call 1-800-810-BLUE (2583) to inquire about providers that may participate in the BlueCard Worldwide Program.

COMPREHENSIVE BENEFITS: WHAT IS COVERED

COVERED SERVICES

Before we pay for any benefits, you must satisfy your Deductible. The medical Deductible is described in the section Deductible under the PART entitled BENEFIT COPAYMENT/COINSURANCE LIST.

All Covered Services are subject to the Yearly Deductible including limited benefits such as Non-Participating Physical Therapy, Occupational Therapy and/or Chiropractic Care, Mental or Nervous Disorders and Substance Abuse, and Smoking Cessation except where indicated below.

Described below are the types of services covered under this Policy for the treatment of a covered illness, injury or condition. Before you review this list of Covered Services take a moment to review the Definitions of Negotiated Fee Rate and Customary and Reasonable Charge. Knowing the meaning of these terms will greatly assist you in determining the benefits of this Policy and your Copayment/Coinsurance responsibility.

Another term you should become familiar with is Preservice Review. Preservice Review begins when your Physician provides medical information to us prior to a specific service or procedure taking place so that we can determine if it is Medically Necessary and a Covered Service. The PART entitled UTILIZATION MANAGEMENT AND PRESERVICE REVIEW describes in detail what services require Preservice Review and how to obtain Preservice Review.

HOSPITAL (requires Preservice Review except for delivery of a child or mastectomy surgery, including the length of hospital stays associated with mastectomy).

- A Hospital room with two or more beds. If a private room is used, we will only allow up to the prevailing two-bed room rate.
- Services in special care units.
- Operating rooms, delivery rooms and special treatment rooms.

If your physician orders the specialty pharmacy drug to be administered in their office, only the medication needed for the visit will be delivered.

(If you order your specialty pharmacy drug by telephone, you will need to use a credit card or debit card to pay for it.) If you order a specialty pharmacy drug for home use, you may also submit your specialty pharmacy drug prescription with the appropriate payment for the amount of the purchase (you can pay by check, money order, credit card or debit card), and a properly completed order form to Anthem Blue Cross Life and Health – Specialty Pharmacy Program at the address shown below. Prior Authorization. Certain specialty pharmacy drugs require written prior authorization of benefits in order for you to receive them. Prior authorization criteria will be based on medical policy and the pharmacy and therapeutics established guidelines. You may need to try a drug other than the one originally prescribed if we determine that it should be clinically effective for you. However, if we determine through prior authorization that the drug originally prescribed is medically necessary, you will be provided the drug originally requested. (If, when you first become a member, you are already being treated for a medical condition by a drug that has been appropriately prescribed and is considered safe and effective for your medical condition, we will not require you to try a drug other than the one you are currently taking.) If approved, specialty pharmacy drugs requiring prior authorization for benefits will be provided to you after you make the required Copayment.

In order for you to get a specialty pharmacy drug that requires prior authorization, your physician must make a request to us for you to get it. The request may be made either by telephone or facsimile to us. At the time the request is initiated, specific clinical information will be requested from your physician based on Anthem Blue Cross' medical policy and/or clinical guidelines, based specifically on your diagnosis and/or the physician's statement in the request or clinical rationale for the specialty pharmacy drug.

If the request is for urgently needed drugs, after we get the request:

- We will review it and decide if we will approve benefits within 72-hours. (As soon as we can, based on your medical condition, as medically necessary, we may take less than 72-hours to decide if we will approve benefits.) We will tell you and your physician what we have decided - by telephone and in writing by facsimile to your physician, and in writing by mail to you.
- If more information is needed to make a decision, or we cannot make a decision for any reason, we will tell your physician, within 24-hours after we get the request, what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your physician what information is missing within 24-hours, we will tell your physician that there is a problem as soon as we know that we cannot respond within 24-hours. In either event, we will tell you and your physician that there is a problem – in writing by facsimile, and by telephone, to your physician, and in writing by mail to you.

- As soon as we can, based on your medical condition, as medically necessary, but, not more than 48-hours after we have all the information we need to decide if we will approve benefits, we will tell you and your physician what we have decided in writing - by fax to the physician and by mail to you.

If the request is not for urgently needed drugs, after we get the Outpatient Prescription Drug Prior Authorization of Benefits form:

- Based on your medical condition, as medically necessary, we will review it and decide if we will approve benefits within 5-business days. We will tell you and your physician what we have decided in writing - by fax to your doctor, and by mail, to you.
- If more information is needed to make a decision, we will tell your physician in writing within 5-business days after we get the request what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your physician what information is missing within 5-business days, we will tell your physician that there is a problem as soon as we know that we cannot respond within 5-business days. In any event, we will tell you and your physician that there is a problem by telephone, and in writing by facsimile, to your physician, and in writing to you by mail.
- As soon as we can, based on your medical condition, as medically necessary, within 5-business days after we have all the information we need to decide if we will approve benefits, we will tell you and your physician what we have decided in writing - by fax to your physician and by mail to you. While we are reviewing the request for a specialty pharmacy drug, a 72-hour emergency supply of medication may be dispensed to you if your physician determines that it is appropriate and medically necessary. You may have to pay the applicable Copayment, if any, shown in the PART entitled BENEFIT COPAYMENT/COINSURANCE LIST for the 72-hour supply of your drug. If we approve the request for the specialty pharmacy drug after you have received a 72-hour supply, you will receive the remainder of the 30-day supply of the drug after payment of any applicable additional Copayment that could apply.

If you have any questions regarding whether a specialty pharmacy drug requires prior authorization, please call 1-800-700-2533.

If we deny a request for prior authorization of a specialty pharmacy drug, you or your prescribing physician may appeal our decision by calling us at 1-800-700-2533. If you are not satisfied with the resolution based on your inquiry, you may file a grievance with us by following the procedures described in the section entitled INDEPENDENT MEDICAL REVIEW OF GRIEVANCES.

Exceptions to specialty pharmacy program. This program does not apply to:

- a. The first one month supply of a specialty pharmacy drug which is available through a participating retail pharmacy;
- b. Drugs, which due to medical necessity, must be obtained immediately; or
- c. A member who is unable to pay for delivery of their medication (i.e., no credit card).

How to obtain an exception to the specialty pharmacy program. If you believe that you should not be required to get your medication through the specialty pharmacy program, for any of the reasons listed above, you must complete an Exception to Specialty Drug Program form to request an exception and send it to us. The form can be faxed or mailed to us. If you need a copy of the form, you may call us at 1-800-700-2533 to request one. You can also get the form on-line at www.anthem.com/ca. If we have given you an exception, it will be in writing and will be good for twelve months from the time it is given. After twelve months, if you believe that you should still not be required to get your medication through the specialty pharmacy program, you must again request an exception. If we deny your request for an exception, it will be in writing and will tell you why we did not approve the exception.

Urgent or emergency need of a specialty pharmacy drug subject to the specialty pharmacy program.

If you are out of a specialty pharmacy drug which must be obtained through the specialty pharmacy program, we will authorize an override of the specialty pharmacy program requirement for 72-hours, or until the next business day following a holiday or weekend, to allow you to get an emergency supply of medication if your doctor decides that it is appropriate and medically necessary. You may have to pay the applicable Copayment shown in the PART entitled BENEFIT COPAYMENT/COINSURANCE LIST for the 72-hour supply of your drug.

If you order your specialty pharmacy drug through the specialty pharmacy program and it does not arrive, if your physician decides that it is medically necessary for you to have the drug immediately, we will authorize

an override of the specialty pharmacy program requirement for 30-day supply or less, to allow you to get an emergency supply of medication from a participating pharmacy near you. A Dedicated Care Coordinator from the specialty pharmacy program will coordinate the exception and you will not be required to make an additional Copayment.

UNLESS YOU QUALIFY FOR AN EXCEPTION, IF YOU DON'T GET YOUR SPECIALTY PHARMACY DRUG THROUGH THE SPECIALTY PHARMACY PROGRAM, YOU WILL NOT RECEIVE ANY BENEFITS UNDER THIS PLAN FOR THEM.

- Any item or services that is provided solely to satisfy data collection and analysis needs and that is not used in the clinical management of the patient.
- Health care services that, except for the fact that they are being provided in a clinical trial, are otherwise specifically excluded from coverage under this Policy.

Organ and tissue donation may be used for transplants and research. Today, it is possible to transplant about 25 different organs and tissues. YOUR PRESCRIPTION DRUG BENEFITS

We will provide outpatient Prescription Drug benefits in accordance with this Part, subject to all other terms, conditions, limitations and exclusions of the Policy.

Anthem uses a preferred list of Drugs, sometimes called a Formulary, to help your doctor make prescribing decisions. This list of Drugs is updated quarterly by a committee consisting of doctors and pharmacists so that the list includes Drugs that are safe and effective in the treatment of disease. The presence of a drug on the plan's formulary does not guarantee that it will be prescribed. If you have a question regarding whether a Drug is on the Prescription Drug Formulary, please call toll free 1-800-700-2533.

Some medications may require Prior Authorization from Anthem. Please call toll free 1-800-700-2533 for a list of these Drugs.

For an explanation of your Prescription Drug coverage when you are enrolled in Medicare Part D, see the section entitled Non-Duplication of Medicare under the PART entitled EXCLUSIONS AND LIMITATIONS.

All claims for reimbursement for Compound Medications must be submitted electronically (by the pharmacy) and will be paid at the negotiated rate. Compound Medications may be limited to distribution at designated pharmacies.

Formulary is a list of Drugs which Anthem has determined to be safe and cost effective based on available medical literature.

Generic Prescription Drug (Generic) is a pharmaceutical equivalent of one or more Brand Name Drugs and must be approved by the Food and Drug Administration as meeting the same standards of safety, purity, strength and effectiveness as the Brand Name Drug.

Please see the section entitled THE RATE OF REIMBURSEMENT BY ANTHEM for information on the percentages payable at a Non-Participating Pharmacy.

Participating Pharmacy is a Pharmacy that has a Participating Pharmacy agreement in effect with or for the benefit of Anthem at the time services are rendered. Call your local Pharmacy or call the customer

If a Drug is removed from the covered Prescription Drug list or if it changes Tiers, your costs may change due to changes in your coinsurance and copayments. Inclusion of a Drug or related item on the covered Prescription Drug list is not a guarantee of coverage. If you have any questions about a particular Drug, you may call 1-800-700-2533.

DRUG UTILIZATION REVIEW

Your Prescription Drug benefits include utilization review of Prescription Drug usage for your health and safety. Certain Drugs may require prior authorization. Also, a Participating Pharmacist can help arrange prior authorization or dispense an emergency amount. If there are patterns of over utilization or misuse of Drugs, we will notify your personal Physician and your pharmacist. We reserve the right to limit benefits to prevent over utilization of Drugs.

PRIOR AUTHORIZATION

Certain Drugs require written prior authorization for you to obtain benefits even if the prescribing doctor writes “do not substitute” or “dispense as written” on the Prescription. Prior authorization criteria will be based on medical policy, clinical guidelines and established pharmacy and therapeutic guidelines. If you have any questions whether a Drug is on our preferred Drug list or require prior authorization, please call 1-800-700-2533.

You may need to try a Drug other than the one originally prescribed if we determine that it should be clinically effective for you. However, if we determine through the prior authorization process that the Drug originally prescribed is Medically Necessary, you will be provided the Drug originally requested at the applicable Copayment. If approved, Drugs requiring prior authorization will be provided to you after you make the required Copayment. (If, when you first become a Member, you are already being treated for a medical condition with a Drug that has been appropriately prescribed and is considered safe and effective for your medical condition and you underwent a prior authorization process under a prior plan which required you to take different Drugs, we will not require you to try a Drug other than the one you are currently taking.)

In order for you to obtain a Drug that requires prior authorization, your Physician must make a written request to us using a Drug Prior Authorization of Benefits form. The form can be faxed or mailed to us. If your Physician needs a copy of the form, he or she may call us at 1-888-831-2242 to request one. The form is also available online at www.anthem.com/ca.

If the request is for urgently needed Drugs, after we get the Drug Prior Authorization form:

- We will review it and decide if we will approve benefits within 72 hours. (Based on your medical condition, as Medically Necessary, we may take less than 72 hours to decide if we will approve benefits.) We will tell you and your Physician what we have decided in writing – by fax to your Physician and by mail to you.
- If more information is needed to make a decision, or we cannot make a decision for any reason, we will tell your Physician, within 24 hours after we get the form, what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your Physician what information is missing within 24 hours, we will tell your Physician that there is a problem as soon as we know that we cannot respond within 24 hours. In either event, we will tell your and your Physician, and in writing by mail to you.
- As soon as we can, based on your medical condition, as Medically Necessary, but not more than 48 hours after we have all the information we need to decide if we will approve benefits, we will tell you and your Physician what we have decided in writing – by fax to the Physician and by mail to you.

If the request is not for urgently needed Drugs, after we get the Drug Prior Authorization form:

- Based on your medical condition, as Medically Necessary, we will review it and decide if we will approve benefits within five (5) business days. We will tell you and your Physician what we have decided in writing – by fax to your doctor and by mail to you.
- If more information is needed to make a decision, we will tell your Physician in writing within five (5) business days after we get the request what information is missing and why we cannot make a decision. If, for reasons beyond our control, we cannot tell your Physician what information is missing within five (5) business days, we will tell your Physician that there is a problem as soon as we know that we cannot respond within five (5) business days. In any event, we will tell you and your Physician that there is a problem in writing by fax, and when appropriate, by telephone to your Physician, and in writing to you by mail.
- Based on your medical condition, as Medically Necessary, within five (5) business days after we have all the information we need to decide if we will approve benefits, we will tell you and your Physician what we have decided in writing – by fax to your Physician and by mail to you.

While we are reviewing the Drug Prior Authorization form, a 72-hour emergency supply of medication or the smallest packaged quantity, whichever is greater, may be dispensed to you if your Physician or pharmacist determines that it is appropriate and Medically Necessary. You may have to pay the applicable Copayment or coinsurance shown in this part for the 72-hour supply of your Drug. If we approved the request for the Drug after you have received a 72-hour supply, you will receive the remainder of the 30-day supply of the Drug. If you have paid the applicable Copayment for the 72-hour supply, you will have no additional Copayment. If not, you will be responsible to pay the applicable Copayment for the remainder of the 30-day supply.

If you have any questions whether a Drug is on our preferred Drug list or require prior authorization, please call 1-800-700-2533.

If prior authorization of a Drug is not approved, you or your prescribing Physician may appeal our decision by calling us at 1-800-700-2533. If you are not satisfied with the resolution based on your inquiry, you may file a grievance with us by following the procedures described in the part entitled GRIEVANCE PROCEDURES.

Revoking or modifying a prior authorization

A prior authorization of benefits for prescription drugs may be revoked or modified prior to your receiving the drugs for reasons including but not limited to the following:

- Your coverage under this policy ends;
- You reach a benefit maximum that applies to prescription drugs, if the plan includes such a maximum;
- Your prescription drug benefits under the policy change so that prescription drugs are no longer covered or are covered in a different way.

A revocation or modification of a prior authorization of benefits for prescription drugs applies only to unfilled portions or remaining refills of the prescription, if any, and not to drugs you have already received.

Copayments for Tier 1, Tier 2 and Tier 3 Drugs and the Tier 2, Tier 3 and Specialty Drug Deductible **will not** accumulate towards the Specialty Prescription Drug Coinsurance Maximum and will continue to be required even after the Specialty Prescription Drug Coinsurance Maximum has been reached.

If a drug is removed from the covered prescription drug list or if it changes tiers, your costs may change due to changes in your coinsurance and copayments. Inclusion of a Drug or related item on the covered Prescription Drug list is not a guarantee of coverage. If you have any questions about a particular drug, you may call 1-800-700-2533.

Specialty Pharmacy Program

Specialty drugs are high-cost, injectable, infused, oral or inhaled medications (including therapeutic biological products) that are used to treat chronic or complex illnesses or conditions. Many Specialty drugs need special handling, storage and shipping requirements, such as temperature control. Specialty drugs may require nursing services or special programs to encourage patient compliance. **Specialty Drugs are covered only when purchased from the Specialty Preferred Provider.**

Non-duplication of benefits applies to Specialty Drugs under this plan. This means when benefits are provided for Specialty Drugs under the plan's Specialty Pharmacy Program benefits, they will not be provided under the part entitled WHAT IS COVERED. Conversely, if benefits are provided for Specialty Drugs under WHAT IS COVERED, they will not be provided under the plan's Specialty Pharmacy Program benefits.

Certain Specialty Drugs require written prior authorization. (Please see the Prior Authorization section in this part for more information).

When You Order Your Prescription Through the Specialty Preferred Provider.

You can only have your Prescription for a Specialty Drug filled through the Anthem's Specialty Preferred Provider, unless you qualify for an exception (please see the Exceptions to the Specialty Pharmacy Program paragraph below). Specialty Drugs are limited to a 30-day supply per fill. The Specialty Preferred Provider will deliver your specialty Drugs to you by mail or common carrier for self administration in your home. You cannot pick up your medication at Anthem.

The Prescription for the Specialty Drug must state the Drug name, dosage, directions for use, quantity, the Physician's name and phone number, and the patient's name and address and be signed by a Physician. You or your physician may order your specialty Drug from the Specialty Preferred Program by calling 1-800-870-6419. When you call Specialty Preferred Provider, a Dedicated Care Coordinator will guide you through the process up to and including actual delivery of your specialty drug to you. When you order your specialty drug by telephone, you will need to use a credit or debit card to pay for it. You may also submit your specialty drug prescription with the appropriate payment for the amount of the purchase and a properly completed order form to Specialty Pharmacy Program at the address shown below. Once you have met your deductible, if any, you will only have to pay the cost of your Copayment. When you order your specialty drug by mail, you will need to use a check, money order, credit or debit card to pay for it.

You or your physician may obtain a list of specialty drugs available through the Specialty Preferred Provider network by contacting Member Services by calling toll free 1-800-870-6419 or online at www.anthem.com/ca. You or your physician may also obtain order forms by contacting Member Services or by accessing our web site at **www.anthem.com/ca**.

Unless you qualify for an exception, if Specialty Drugs are not obtained through the Specialty Pharmacy Program, you will not receive any benefits for them under this plan. You will have to pay the full cost of any specialty drugs you get from a retail pharmacy that you should have obtained from the Specialty Preferred Provider. Please note that Specialty Drugs are not covered through the mail service drug program; however, if you do order a Specialty Drug through the mail service prescription drug program, the order will be forwarded to the Specialty Preferred Provider for processing and will be processed according to Specialty Pharmacy Program rules.

Exceptions to the Specialty Pharmacy Program

This requirement does not apply to:

The first one month supply of a Specialty Drug which is available through a Participating Pharmacy;

Drugs, which due to medical necessity, are needed urgently and must be administered to the Insured immediately.

How to obtain an exception to the Specialty Pharmacy Program

If you believe that you should not be required to get your specialty drug through the Specialty Pharmacy Program, for any of the reasons listed above or others, you or your Physician must complete an Exception to the Specialty Pharmacy Program form to request an exception and send it to us. The form can be mailed or faxed to us. If you need a copy of the form, you may call us at 1-800-700-2533 to request one. You can also get the form online at www.anthem.com/ca. If we have given you an exception, it will be in writing for the approved amount of time as medically appropriate, not to exceed six (6) months. If you believe that you still should not be required to get your medication through the Specialty Pharmacy Program, when your prior exception approval expires, you must again request an exception. If we deny your request for an exception, it will be in writing and will tell you why we did not approve the exception.

Urgent or emergency need of a specialty drug subject to the Specialty Pharmacy Program

If you are out of a specialty drug which must be obtained through the Specialty Pharmacy Program, we will authorize an override of the Specialty Pharmacy Program requirement for 72-hours, or until the next business day following a holiday or weekend to allow you to get a 72-hour emergency supply of medication, or the smallest packaged quantity, whichever is greater, if your doctor decides that it is appropriate and medically necessary. You may have to pay the applicable Copayment/coinsurance, if any.

If you order your specialty drug through the Specialty Preferred Provider and it does not arrive, if your physician decides that it is medically necessary for you to have the drug immediately, we will authorize an override of the Specialty Pharmacy Program requirement for a 30-day supply or less to allow you to get an emergency supply of medication from a participating pharmacy near you. A customer service representative from the Specialty Preferred Provider will coordinate the exception and you will not be required to pay additional coinsurance.

SPECIAL PROGRAMS

Special Programs

From time to time, we may initiate various programs to encourage you to utilize more cost-effective or clinically-effective Drugs including, but, not limited to, Tier 1 Drugs, mail service Drugs, over-the counter drugs, or preferred Drug products. Such programs may involve reducing or waiving Copayments for those Tier 1 Drugs, over-the-counter drugs, or the preferred Drug products for a limited period of time. If we initiate such a program, and we determine that you are taking a Drug for a medical condition affected by the program, you will be notified in writing of the program and how to participate in it.

Half-Tablet Program

The Half-Tablet Program allows you to pay a reduced Copayment on selected “once daily dosage” medications. The Half-Tablet Program allows you to obtain a 30-day supply (15 tablets) of a higher strength version of your medication when the Prescription is written by the Physician to take “1/2 tablet daily” of those medications on a list approved by us. The WellPoint National Pharmacy and Therapeutics Committee will determine additions and deletions to the approved list. The Half-Tablet Program is strictly voluntary and your decision to participate should follow consultation with and the concurrence of your Physician. This program is only available through a retail pharmacy or mail services pharmacy. To obtain a list of the products available on this program call 1-866-614-0147 or visit our internet website at www.anthem.com/ca.

The member may need to file their own claim if they need to have a prescription filled before they receive their health benefit ID card. The pharmacy may not submit the claim on the member’s behalf. Information on filing a prescription claim may be obtained by calling Customer Service at the number listed on the member ID card.

Anthem receives financial credits or rebates from drug manufacturers based on the total volume of claims processed for their products utilized by Anthem members. These credits are used to help stabilize rates. Reimbursements to pharmacies are not affected by these credits.

Prescription drugs will always be dispensed as ordered by the member's provider and by applicable State Pharmacy Regulations, however the member may have higher out-of-pocket expenses. The member may request, or the member's provider may order, a brand-name drug. However, if a Tier 1 drug is available, the member will be responsible for the cost difference between the Tier 1 and the Tier 2 or Tier 3 Drug, in addition to the member's applicable Tier copayment and/or coinsurance. By law, Tier 1, Tier 2 and Tier 3 Drugs must meet the same standards for safety, strength, and effectiveness. Anthem reserves the right, at its discretion, to remove certain higher cost generic drugs for this policy.

The review processes which may be undertaken are listed below in paragraphs named Preservice Review, Admission Review, Continued Stay Review and Retrospective Review.

For a copy of the Medical Necessity Review Process, please contact our customer service department toll free at 1-800-333-0912.

ALTERNATIVE BENEFITS

In order for an Insured to obtain medically appropriate care in a more economical and cost effective way, Anthem may recommend an alternative plan of treatment which includes services not covered under this Policy.

Anthem makes treatment suggestions only. Any decision regarding treatment belongs to the Insured and the Insured's Physician.

Benefits are provided for such an alternative treatment plan only on a case-by-case basis. Anthem has absolute discretion in deciding whether or not to offer substitute benefits for any Insured, which alternative benefits may be offered and the terms of the offer. Anthem's substitution of benefits in a particular case in no way commits Anthem to do so in another case or for another Insured. Also, it does not prevent Anthem from strictly applying the express benefits, limitations and exclusions of the Policy at any other time or for any other Insured.

Benefits are provided only when all of the following criteria are satisfied:

- the Insured requires extensive long term treatment and
- Anthem anticipates that such treatment, utilizing services or supplies covered under the Policy, will result in considerable cost and
- a cost benefit analysis by Anthem determines that the benefits payable under the Policy for the alternative plan of treatment can be provided at a lower overall cost than the benefits the Insured would otherwise receive under the Policy and
- the Insured or the Insured's guardian and the Insured's Physician agree, in writing, with Anthem's recommended substitution of benefits with the specific terms and conditions under which the alternative benefits are to be provided.

Alternative benefits paid are accumulated toward any annual or Lifetime Maximums under the Policy.

GENERAL PROVISIONS

Benefits Not Transferable: You and your eligible Dependents are the only persons entitled to receive benefits under this Policy. FRAUDULENT USE OF SUCH BENEFITS WILL RESULT IN CANCELLATION OF THIS POLICY AND APPROPRIATE LEGAL ACTION WILL BE TAKEN.

Conformity with Law: Any provision of this Policy which, on its Effective Date, is in conflict with any applicable statute, regulations or other law is hereby amended to conform to the minimum requirements of such law.

Content of the Policy: This Policy, including any endorsements or attached paper, is the entire contract of insurance. Its terms can only be changed by a written endorsement signed by one of our authorized officers. NO AGENT OR EMPLOYEE OF OURS IS AUTHORIZED TO CHANGE THE TERMS OR WAIVE ANY OF THE PROVISIONS OF THIS POLICY.

Continuation of Care after Termination of Provider: Subject to the terms and conditions set forth below, Anthem will pay benefits to an Insured at the Participating Provider level for Covered Services (subject to applicable Copayments/Coinsurance, Deductibles and other terms) rendered by a provider whose participation we have terminated.

- The Insured must be under the care of the Participating Provider at the time of our termination of the provider's participation. The terminated provider must agree in writing to provide services to the Insured in accordance with the terms and conditions of his/her agreement with Anthem prior to termination. The provider must also agree in writing to accept the terms and reimbursement rates under his/her agreement with Anthem prior to termination. If the provider does not agree with these contractual terms and conditions, we are not required to continue the provider's services beyond the contract termination date.
- Anthem will furnish such benefits for the continuation of services by a terminated provider only for any of the following conditions:
 - An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical

attention and that has a limited duration. Completion of Covered Services shall be provided for the duration of the acute condition.

- A serious chronic condition. A serious chronic condition is a medical condition due to a disease, illness or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of Covered Services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by Anthem in consultation with the Insured and the terminated provider and consistent with good professional practice. Completion of Covered Services shall not exceed twelve (12) months from the provider's contract termination date.
- A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of Covered Services shall be provided for the duration of the pregnancy.
- A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of Covered Services shall be provided for the duration of the terminal illness.
- The care of a newborn child between birth and age thirty-six (36) months. Completion of Covered Services shall not exceed twelve (12) months from the provider's contract termination date.
- Performance of a surgery or other procedure that we have authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the provider's contract termination date.
- Such benefits will not apply to providers who voluntarily leave their provider group network, providers who choose not to renew their agreement, or providers who have been terminated due to medical disciplinary cause or reason, fraud, or other criminal activity.
- Please contact customer service toll free at 1-800-333-0912 to request continuation of care or to obtain a copy of the written policy. Eligibility is based on the Insured's clinical condition; it is not determined by diagnostic classifications. Continuation of care does not provide coverage for services not otherwise covered under the Policy.

We will notify you by telephone and the provider by telephone and fax, as to whether or not your request for continuation of care is approved. If approved, the Insured will be financially responsible only for applicable Deductibles, Coinsurance and/or Copayments under this Policy. Financial arrangements with terminated providers are negotiated on a case-by-case basis. We will request that the terminated provider agree to negotiate reimbursement and/or contractual requirements that apply to Participating Providers, including payment terms. If the terminated provider does not agree to the same reimbursement and/or contractual requirements, we are not required to continue that provider's services. If you disagree with our determination regarding continuation of care, please refer to the PART entitled "INDEPENDENT MEDICAL REVIEW OF GRIEVANCES."

Governing Law: The laws of the state of California will be used to interpret any part of this Policy.

Legal Actions: No action at law or at equity may be brought to recover on this Policy sooner than sixty (60) days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of three (3) years after the time written proof of loss is required to be furnished.

Notice: We will meet any notice requirements by mailing the notice to you at the address listed in our records. You will meet any notice requirements by mailing the notice to Anthem Blue Cross Life and Health Insurance Company P.O. Box 9051 Oxnard, California 93031-9051.

Out of California Providers: The Blue Cross and Blue Shield Association, of which we are a member/Independent Licensee, administers a program called the BlueCard Program, in which we participate, which allows our Insureds to have the reciprocal use of Participating Providers that contract with other Blue Cross and/or Blue Shield Plans. Providers available to you through the BlueCard Program have not entered into contracts with Anthem Blue Cross Life and Health. If you have any questions or complaints about the Blue Card Program, please call us at 1-800-333-0912. If you are outside of California and require medical care or treatment, you may use a local Blue Cross and/or Blue Shield Participating Provider. If you use one of these providers, your out-of-pocket expenses may be lower than those incurred when using a provider that does not participate with a local Blue Cross and/or Blue Shield Plan. In order for you to receive

access to whatever reductions in out-of-pocket expenses may be available, we must abide by the BlueCard Program rules, as set by the Blue Cross and Blue Shield Association.

When you obtain health care services through the BlueCard Program outside of California, the amount you pay for Covered Services is calculated on the lower of:

- the billed charges for your Covered Services or
- the Negotiated Price that the on-site Blue Cross and/or Blue Shield (“Host Blue”) passes on to us.

Often, this “Negotiated Price” will consist of a simple discount which reflects the actual price paid by the Host Blue. But sometimes it is an estimated price that factors into the actual price expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with your health care provider or with a specified group of providers. The Negotiated Price may also be billed charges reduced to reflect an average expected savings with your health care provider or with a specified group of providers. The price that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price. The Negotiated Price will also be adjusted in the future to correct for over- or underestimation of past prices. However, the amount you pay is considered a final price.

Statutes in a small number of states may require the Host Blue to use a basis for calculating Policyholder liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Should any state mandate Policyholder liability calculation methods that differ from the usual BlueCard method noted above in the preceding paragraph of this item or require a surcharge, we would then calculate your liability for any covered health care services in accordance with the applicable state statute in effect at the time you received your care.

When traveling outside the United States, in cases of emergencies only, call 1-800-810-BLUE (2583) to inquire about providers that may participate in the BlueCard Worldwide Program.

Payment to Providers and Provider Reimbursement: Covered Expenses for Participating Providers are based on the Negotiated Fee Rate. Participating Providers have a Prudent Buyer Participating Provider Agreement in effect with us and have agreed to accept the Negotiated Fee Rate as payment in full. Non-Participating Providers do not have a Prudent Buyer Participating Agreement with Anthem Blue Cross Life and Health Insurance Company. Your personal financial costs when using Non-Participating Providers may be considerably higher than when you use Participating Providers. You will be responsible for any balance of a provider’s bill which is above the allowed amount payable under this Policy for Non-Participating Providers. Please read the benefit sections carefully to determine those differences. We pay the benefits of this Policy directly to Contracting Hospitals, Participating Hospitals, Participating Physicians, medical transportation providers, certified nurse midwives, registered nurse practitioners and other Participating Providers, whether you have authorized assignment of benefits or not. We may pay Hospitals, Physicians and other providers of service, or the person or persons having paid for your Hospital or medical services directly when you assign benefits in writing no later than the time of filing proof of loss (claim). These payments fulfill our obligation to you for those services.

If you or one of your Dependents receives services from a Non-Participating Provider or Non-Contracting Hospital, payment may be made directly to the Policyholder, and you will be responsible for payment to that provider. Any assignment of benefits, even if assignment includes provider’s right to receive payment, is void unless an authorized referral has been approved by Anthem. We will pay Non-Contracting Hospitals and other providers of service directly when emergency services and care are provided to you or one of your Dependents. We will continue such direct payment until the emergency care results in stabilization.

Physical Examination and Autopsy: At our own expense, we have the right and opportunity to examine an Insured claiming benefits when and as often as it may reasonably be required during the pendency of a claim and also to have an autopsy done in the case of death where it is not otherwise prohibited by law.

Prior Coverage: If within the same calendar Year, an Insured replaces any Anthem individual medical Policy with another Anthem individual medical Policy, any benefits applied toward the Deductible, Coinsurance/Copayment Maximums or any benefit maximums of that prior Policy, will be applied toward the Deductible, Coinsurance/Copayment Maximums or any benefit maximums of this Policy.

Receipt of Information: We are entitled to receive from any provider of service information about you that is necessary to administer claims on your behalf. This right is subject to all applicable confidentiality requirements. By submitting an application for coverage, you have authorized every provider who has

furnished or is furnishing care to disclose all facts, opinions or other information pertaining to your care, treatment and physical conditions, upon our request. You agree to assist in obtaining this information if needed. Failure to assist us in obtaining the necessary information when requested may result in the delay or rejection of your claims until the necessary information is received.

A STATEMENT DESCRIBING OUR POLICIES AND PROCEDURES FOR PRESERVING THE CONFIDENTIALITY OF MEDICAL RECORDS IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST. Contact our customer service department at 1-800-333-0912 for a copy.

Reinstatement: If this Policy lapses (cancels) because you do not pay your premium on time and if we, or an agent we have authorized to accept premium, then accepts a late premium payment from you without asking for an application for reinstatement, we will reinstate this Policy. However, if we require an application for reinstatement and give you a conditional receipt for your late premium payment, we will only reinstate this Policy if either we approve your reinstatement application, or forty-five (45) days go by after the date on our conditional receipt without us notifying you in writing that we have disapproved your reinstatement application.

If this Policy is reinstated, benefits will be provided only for an Accidental Injury that occurs after the date of reinstatement or for a sickness that begins more than ten (10) days after the date of reinstatement. Otherwise, your rights and our rights under this Policy will be the same as they were just before the premium you did not pay on time was due, unless we amended this Policy in connection with reinstatement. Any premium we accept in connection with reinstatement will be applied to a period for which you have not paid premium due, but not to any period more than sixty (60) days before the date of reinstatement.

Relationship of Parties: We are not responsible for any claim for damages or injuries suffered by the Insured while receiving care in any Hospital or Skilled Nursing Facility. Such facilities act as independent contractors.

Responsibility to Pay Providers: In accordance with California law, Insureds will not be required to pay any Participating Provider for amounts owed to that provider by Anthem (not including Copayment, Deductibles and services or supplies that are not a benefit of this Policy), even in the unlikely event that Anthem fails to pay the provider. Insureds are liable, however, to pay Non-Participating Providers for any amounts not paid to them by Anthem.

Right of Recovery: When the amount paid by us exceeds the amount for which we are liable under this Policy, we have the right to recover the excess amount from you unless prohibited by law.

Submission of Claims: Either the Policyholder or provider of service must claim benefits by sending Anthem properly completed claim forms itemizing the services or supplies received and the charges. These claim forms must be received by Anthem within fifteen (15) months from the date the services or supplies are received. Anthem will not be liable for benefits if a completed claim form is not furnished to Anthem within this time period, except in the absence of legal capacity. Claim forms must be used; canceled checks or receipts are not acceptable.

INDEPENDENT MEDICAL REVIEW OF GRIEVANCES

If an Insured has had any Covered Service denied, modified or delayed or has had coverage denied because proposed treatment is determined by us to be investigational or experimental, or not Medically Necessary, the Insured may ask for review of that denial, modification or delay by an external, independent medical review organization. To request a review, please call 1-800-333-0912 or write to us at Anthem Blue Cross Life and Health Insurance Company P.O. Box 9051 Oxnard, California 93031-9051. To request an Independent Medical Review (IMR) from the California Department of Insurance (DOI), all of the following conditions must be satisfied:

The proposed treatment must be recommended by a Participating Physician or a board certified or board eligible Physician qualified to treat the Insured, who has certified in writing, that it is more likely to be beneficial than standard treatment and who has provided the supporting evidence.

- Peer reviewed abstracts accepted for presentation at major medical association meetings.

For Denials, Modifications or Delays Based on a Determination that a Service is not Medically Necessary

The DOI will review your application for IMR to confirm that:

- your provider has recommended a health care service as Medically Necessary,
- you have received urgent care or emergency services that a provider determined was Medically Necessary or
- you have been seen by a Participating Provider for the diagnosis or treatment of the medical condition for which you seek independent review.

The disputed health care service has been denied, modified or delayed by us based in whole or in part on a decision that the health care service is not Medically Necessary

AND

You have filed a grievance with us and the disputed decision is upheld or the grievance remains unresolved after thirty (30) days. If your grievance requires expedited review you may bring it immediately to the DOI's attention. The DOI may waive the requirement that you follow our grievance process in extraordinary and compelling cases.

General

If your case is eligible for IMR, the dispute will be submitted to a medical specialist who will make an independent determination of whether or not the care is not experimental or investigational, or is Medically Necessary. You will receive a copy of the assessment made in your case. If the IMR determines the service is not experimental or investigational or is Medically Necessary, we will provide available benefits for the health care service.

Within three (3) business days of our receipt from the Department of Insurance of a request by a qualified Insured for an IMR, we will provide the IMR organization designated by the Department with a copy of all relevant medical records and documents for review and any information submitted by the Insured or the Insured's Physician. Any subsequent information received will be forwarded to the IMR organization within three (3) business days. Additionally, any newly developed or discovered relevant medical records identified by us or our Participating Providers after the initial documents are provided will be forwarded immediately to the IMR organization. The IMR organization will render its determination within thirty (30) days of the request (or seven (7) days in the case of an expedited review), except the reviewer may ask for three (3) more days if there was any delay in receiving the necessary records.

For non-urgent cases, the IMR organization designated by the DOI must provide its determination within thirty (30) days of receipt of your application and supporting documents. For urgent cases involving an imminent and serious threat to your health, including but not limited to, serious pain, the potential loss of life, limb or major bodily function or the immediate and serious deterioration of your health, the IMR organization must provide its determination within three (3) business days.

The IMR process is in addition to any other procedures or remedies that may be available to you. You pay no application or processing fees of any kind for IMR. You have the right to provide information in support of the request for IMR. We must provide you with an IMR application form with any grievance disposition letter that denies, modifies or delays health care services. A decision not to participate in the IMR process may cause you to forfeit any statutory right to pursue legal action against us regarding the disputed health care service.

For more information regarding the IMR process or to request an application form please call 1-800-333-0912.

BINDING ARBITRATION

This Binding Arbitration provision does not apply to class actions.

ALL DISPUTES INCLUDING BUT NOT LIMITED TO DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE POLICY OR ANY OTHER ISSUES RELATED TO THE POLICY AND CLAIMS OF MEDICAL MALPRACTICE, IF THE AMOUNT IN DISPUTE EXCEEDS THE JURISDICTIONAL LIMIT OF SMALL CLAIMS COURT. *It is understood that any dispute including disputes relating to the delivery of services under the policy or any other issues related to the policy, including any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of arbitration.* YOU AND ANTHEM BLUE CROSS LIFE AND HEALTH AGREE TO BE BOUND BY THIS ARBITRATION PROVISION AND ACKNOWLEDGE THAT THE RIGHT TO A JURY TRIAL IS WAIVED FOR BOTH DISPUTES RELATING TO THE DELIVERY OF SERVICE UNDER THE PLAN OR ANY OTHER ISSUES RELATED TO THE PLAN AND MEDICAL MALPRACTICE CLAIMS.

The Federal Arbitration Act shall govern the interpretation and enforcement of all proceedings under this Binding Arbitration provision. To the extent that the Federal Arbitration Act is inapplicable, or is held not to require arbitration of a particular claim, state law governing agreements to arbitrate shall apply.

The arbitration findings will be final and binding except to the extent that state or federal law provides for the judicial review of arbitration proceedings.

The arbitration is initiated by the Policyholder making a written demand on Anthem Blue Cross Life and Health. The arbitration will be conducted by Judicial Arbitration and Mediation Services (“JAMS”), according to its applicable Rules and Procedures. If for any reason JAMS is unavailable to conduct the arbitration, the arbitration will be conducted by another neutral arbitration entity, by agreement of the Policyholder and Anthem Blue Cross Life and Health, or by order of the court, if the Policyholder and Anthem Blue Cross Life and Health Insurance Company cannot agree.

The costs of the arbitration will be allocated per the JAMS Policy on Consumer Arbitrations. If the arbitration is not conducted by JAMS, the costs will be shared equally by the parties, except in cases of extreme financial hardship, upon application to the neutral arbitration entity to whom the parties have agreed, in which cases, Anthem Blue Cross Life and Health will assume all or a portion of the costs of the arbitration.

Please send all Binding Arbitration demands in writing to:

DURATION AND TERMINATION OF YOUR POLICY AND OUR RIGHT TO MODIFY YOUR POLICY

- A. The Effective Date of your coverage is printed on your Anthem identification card which is issued together with this Policy and is a part of this Policy.
- B. The duration of your coverage under this Policy depends on how your premiums are billed, and is equal to the length of time between billing cycles. For example, if we bill premiums on a bi-monthly basis, your coverage is for a two-month duration. If we bill premiums on a quarterly basis, your coverage is for a three-month duration. If you have chosen Anthem's monthly checking account deduction program, or are a member of a list bill program, or if we otherwise bill premiums on a monthly basis, your coverage is for a one-month duration. The duration of the Policy is determined by how you pay your premiums (measured from the effective date of coverage) and is unrelated to, and is not affected by, the use of other periods of time to measure or determine your rights or benefits, such as, for example, the use of a calendar year or other Deductibles.
- C. Although your Policy expires at the end of each billing cycle, it will, upon timely payment of the billed premiums, automatically renew under the same terms and conditions unless (1) Anthem has terminated, canceled, or declined to renew the Policy pursuant to Paragraph D. below; or (2) Anthem has modified the Policy pursuant to Paragraph E. below. In the case of a modification under Paragraph E., the Policy will renew for the term specified in Paragraph B. above under the modified terms and conditions.
- D. Anthem may, at any time, terminate, cancel or decline to renew this Policy in the event of any of the following:
1. When your premium is not paid within the grace period. The grace period for payment of future premiums is thirty-one (31) days. If you fail to pay premiums as they become due, Anthem may terminate this Policy as of the last day of the grace period described above. Nevertheless, Anthem will terminate this Policy only upon first giving you a written Notice of Cancellation at least fifteen (15) days prior to that termination. The Notice of Cancellation shall state that this Policy shall not be terminated if you make appropriate payment in full within fifteen (15) days after Anthem issues the Notice of Cancellation. You are not entitled to a grace period until you have made your first payment to us. If you need covered benefits during the grace period, coverage will be provided. However, we will deduct the premiums due for coverage continued during the grace period from any benefits we pay.

The Notice of Cancellation also shall inform you that, if this Policy is terminated for non-payment of premiums, you may apply for reinstatement by submitting a new application and any premiums that are owed in addition to a \$50 reinstatement fee, and you will be subject to medical underwriting. See the section Reinstatement under the PART entitled GENERAL PROVISIONS for information on our reinstatement provision.
 2. On the first of the month following our receipt of your written notice to cancel.
 3. For fraud or misrepresentation in certain situations. Misrepresentation or omissions on the application may result in termination or rescission of this Policy. This Policy may also be terminated if you knowingly participated in or permitted fraud or deception by any provider, vendor or any other person associated with this Policy. Termination for fraud or misrepresentation will be effective as of the Effective Date of coverage in the case of rescission. Please see the PART entitled ELIGIBILITY for information on continuing coverage for eligible Insureds on rescinded Policies.
 4. For fraud or deception in the submission of claims or use of services or facilities or if you knowingly permit such fraud or deception by another. Termination is effective on the date of mailing the written notice.
 5. Upon becoming ineligible for this coverage. See the PART entitled WHEN AN INSURED BECOMES INELIGIBLE.

E. Notice to Cancel or Cease Coverage

1. Before we will cease to provide any new or existing individual health benefit Policy:
 - a. We will give you at least 180 days written notice prior to cessation of this Policy and
 - b. Those individual health benefit Policies that are in effect shall not be canceled for 180 days, after the day of notification to cease coverage, except for specific non-compliance previously stated under B. of this PART.
2. We will give you ninety (90) days written notice before we withdraw this individual health benefit Policy from the health care market.
3. In addition to the right to terminate, cancel or decline to renew the Policy set forth in Paragraph D., Anthem has the right upon renewal, or at any time during the duration of your Policy, to modify or otherwise change the terms and conditions of your Policy, **including premiums**, provided that Anthem gives you thirty (30) days written notice of such modifications or changes. Such modifications or changes may alter any term or benefit of this Policy, including without limitation, premiums, covered benefits, Deductibles, Copayments or coinsurance. Anthem can modify or change the terms and conditions of your Policy at any time during the Year on thirty (30) days written notice, regardless of whether your Deductible or other cost sharing provisions are calculated on an annual or calendar-year basis.
 - a. In addition to the thirty (30) days written notice provision set forth above, Anthem's right to modify this Policy under Paragraph E. 3. is subject to the following conditions:
 - i. We will not cancel or modify this Policy under this Paragraph E., 3. on an individual basis but only for all Insureds in the same class and covered under the same Policy as you, except:
 - (a) if we discover any fraud or intentional misrepresentation of material fact under the terms of the coverage by an individual,
 - (b) if we find out about any fraud or deception in the use of the benefits of this Policy by you, your enrolled family or anyone else if you or any Insured of your family knows about it.
 - ii. The modifications or changes will take effect upon the next applicable renewal date occurring (determined as provided in Paragraph A. above) on or after the 30th day following the date of the above notice.

F. Any written notice will be officially given by us when it is mailed to your address as it appears on our records.

G. You should address any written notice to us at Anthem Blue Cross Life and Health Insurance Company, P.O. Box 9051 Oxnard, California 93031-9051.

NON-DUPLICATION OF ANTHEM BENEFITS

If, while covered under this individual Policy, you are also covered by another Anthem Blue Cross Life and Health Insurance Company individual Policy:

- you will be entitled only to the benefits of the Policy with the greater benefits and
- we will refund any premiums received under the Policy with the lesser benefits, covering the time period both Policies were in effect. However, any claims payments made by us under the Policy with the lesser benefits will be deducted from any such refund of premiums.

This fee is waived if you choose to set up a recurring payment option or if you choose Auto Pay Interactive Voice Response (IVR). This fee would also be waived if you were unable to use the Auto Pay IVR.

Converting your paper check into an electronic payment does not authorize us to deduct premiums from your account on a monthly basis unless you have given us prior authorization to do so.

Premiums are the monthly charges the member must pay Anthem to establish and maintain coverage. Anthem determines and establishes the required premiums based on the member's age and the specific regional area in which the member resides. If the member changes residence, he or she may be subject to a change in premiums. Such change in premiums will be effective on the next billing date following Anthem's receipt of written notification of the change of residence. If the member does not notify Anthem of a change in residence and Anthem later learns of the change in residential address, Anthem may in its discretion bill the member for the difference in premium from the date the address changed. Anthem will recalculate your premium based upon the age of each Insured and your premium will be adjusted to the new rate prior to any other premium change. Anthem will send out written notification 30 days in advance of such change.

For children-only contracts, rates will be based upon the age of the youngest child. The youngest child will be considered the Policyholder.

We reserve the right to change the premiums on thirty (30) days written notice to the Policyholder prior to the close of any billing term. The change will become effective on the date shown in the notice and payment of the new charges will indicate acceptance of the change.

Please be sure to read the part entitled DURATION AND TERMINATION OF YOUR POLICY AND OUR RIGHT TO MODIFY YOUR POLICY for additional terms and conditions.

This Policy will terminate without notice upon failure to pay premiums when due. A grace period of thirty-one (31) days will be allowed for the payment of premiums and this Policy will remain in effect during that time. However, we have the right to deduct the unpaid premiums from the payments for covered benefits.
