At that time, you will have no further obligation. This Contract explains the benefits payable. Your only obligation is to pay the Premiums on time. Remember, if you decide you do not want the Contract, we will not pay for any claims you may have during the 30-day period.

Blue Cross and Blue Shield of Georgia (called "BCBSGA" in this Contract) agrees to provide coverage for you. Your coverage is based on the information on your Application for Coverage and on your payment of Premiums to BCBSGA. The amount of money paid on your claims is based on the terms of this Contract.

The Effective Date of this Contract is the date assigned by BCBSGA. After your first payment to BCBSGA (called "Premiums"), the Contract shall be in force until your next payment is due. All payments have a 30-day grace period which is explained in more detail below and also in another section called "General Provisions". Please note, however, that you are not covered until BCBSGA receives your first payment and you are approved for coverage. All payments after the first one must be paid **on or before** the date they are due (BCBSGA calls this date the "**due date**").

For an Individual Coverage Contract (just you and no one else), payment is based on your place of residence, gender and age at the time you apply.

The amount of your payment will be changed automatically based on your area and age-gender bracket. You will be notified 60 days before any change is made.

Except for your first payment, you have a 30-day grace period beyond the due date to pay. Your Contract remains in effect during this 30 days. If you do not make a payment within this 30-day grace period, BCBSGA has the right to refuse to accept your payment and automatically cancel your Contract.

BCBSGA has the right to amend this Contract at any time by giving you written notice of the amendment at least 90 days before the amendment takes effect. You must agree to the change in writing. However, this requirement of notice shall not apply to amendments which provide coverage mandated by the laws of the State of Georgia.
